The diagram illustrates two signal connections. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'EditComTableWindow' followed by '::on_nameLineEdit_editingFinished' on the next line. The bottom box contains 'EditComTableWindow' followed by '::on_nameLineEdit_returnPressed' on the next line. On the right, there is a gray rectangular box with a black border containing the text 'Ship::setName'. Two blue arrows point from the right side of the top white box to the left side of the gray box, and another two blue arrows point from the right side of the bottom white box to the left side of the gray box.
